

THETFORD MANUFACTURING EXCELLENCE CLUB MEETING
THURSDAY 8th JUNE AT 14.45
WARREN SERVICES UK LTD, FISON WAY, THETFORD, IP24 1HT
(01842 760850)

AGENDA

- 14.45 **Arrive & Register for Tour of Warren Services**
For more than a decade Warren Services Ltd has delivered a reliable quality precision and production engineering service in a very wide range of disciplines. Its dedicated workforce is committed to saving customers both time and money through experience and the latest technology. Warren Services moved to its existing premises in Thetford in 2005 following an extensive refurbishment programme of a 30,000 sq ft factory. Now employing 40 the company goes from strength to strength completing innovative projects such as the Wine Tower in the Radisson Hotel at Stanstead.
- 15.15 **Warren Services Ltd – Overview**
Richard Bridgman (Chairman)
Tel: 01842 760850 Email: Richard@warrenservices.co.uk
- 15.30 **Apologies Received & Minutes from 30th March 2006**
- 15.45 **Cromwell Group Holdings Ltd – ‘Assisting manufacturing to remain competitive’**
Greg Gosling (Director Eastern Region)
Tel: 07885 819024 Email: goslingg@cromwell.co.uk
Cromwell Group Holdings Ltd are the largest industrial supplies company in Europe and prides itself in the ability to support the manufacturing industry in its endeavours to remain secure within the UK. Cromwell's forte is the introduction of added value aspects, as well as down cost initiatives by education, control and implementation programmes, utilising innovative solutions such as 'Venda 365' – a world leading facility, as well as other processes that assists companies to remain secure in such a volatile market place.
- 16.30 **Norfolk Materials Exchange – ‘Sourcing, exchanging, disposing of redundant raw materials’**
Simon Best (Assistant Business Coordinator) Norfolk County Council
Tel: 01603 638076 Email: simon.best@norfolk.gov.uk
The Norfolk Materials Exchange is a free online information service where organisations can access information about redundant stock or surplus raw materials available from other organisations. Its main aim is to help users dispose of surplus materials for little or no cost, enable others to source cheaper raw materials that others no longer need and reduce the amount of useful materials going to landfill or incineration. The service operates on the principle that one company's waste is another's raw material. The Exchange allows users to search our database to find suitable records to match your own needs. Register at www.eastex.org.uk/norfolk
- 17.15 **Thetford Manufacturing Excellence Club Directory**
Richard Bridgman / Ralph Burton
- 17.30 **Any other business**
- 17.45 **Close & Date of next meeting – if members want a meeting before summer - 27th July, or after summer - 14th September**
